Career Objective

A motivated third-year Information Technology undergraduate with a strong foundation in programming, web development, and applied artificial intelligence, seeking opportunities to work on real-world projects, enhance technical expertise, and contribute to building impactful, technology-driven solutions.

Education

- **VNR Vignana Jyothi Institute of Engineering & Technology** Hyderabad, India
Bachelor of Technology - Information Technology, JNTUH; CGPA: 9.48/10 2023 - 2027
- **SR Junior College** Warangal, India
Class 12th (Telangana State Board); Percentage: 99% June 2023

Skills

- **Languages:** C/C++, Python, Java, JavaScript, R
- **Development:** HTML, CSS, Bootstrap, Express.js, Node.js, React, REST API Integration, DSA, OOPs
- **Databases:** MongoDB, MySQL
- **Soft Skills:** Communication, Collaborative Teamwork, Critical Thinking & Problem-Solving, Time Management
- **AI & ML Skills:** Basics of Machine Learning, Image Analysis using TensorFlow.js, Model Integration, Data Handling

Projects

- **Blog App** Developed a full-stack blog platform with user authentication and content management features, gaining hands-on experience in front-end and backend integration.
 - **Tech Stack:** HTML, CSS, Bootstrap, Node.js, Express.js, MongoDB.
- **Smart Crop Care** AI-powered crop health monitoring platform with image-based disease detection, real-time weather integration, crop recommendations, and yield prediction, built to support data-driven agricultural decisions.
 - **Tech Stack:** React.js, TensorFlow.js, Flask, Google Cloud API, Image analysis.
- **AI-Powered Travel Planner** A smart travel planning platform with AI-based personalized itineraries, real-time place recommendations, and integrated booking support, built using React.js, Tailwind CSS, Node.js, Express.js, Flask, and Google Cloud APIs.
 - **Tech Stack:** React.js, Tailwind CSS, Node.js, Express.js, Flask, Google Cloud API

Certification

- **CISCO Python Essentials** 06 May, 2024
Completed an intensive course on Python fundamentals via Cisco Networking Academy. [Certificate](#)
- **JavaScript Essentials - Cisco** 20 Mar, 2025
Mastered modern JavaScript concepts including ES6+ features, asynchronous programming, and DOM manipulation. [Certificate](#)
- **Supervised Machine Learning: Regression and Classification** October 13, 2025
Built and trained supervised machine learning models for prediction and binary classification using Python, NumPy, and scikit-learn, including linear and logistic regression. [Certificate](#)

Achivements

- **Project Contest (Convergence 2k25)** - Successfully showcased AI-Powered Travel Planner.
21st Feb, 2025
- **Google Solution Challenge Hackathon** - Finalist in the prestigious competition hosted by GDGC.
8-9th Feb, 2025
[Certificate](#)
- **Completed Phase 1 Training - Smart Interviews (2025)** - Acquired strong problem-solving skills in Data Structures and Algorithms through structured coding interview preparation.
[Certificate](#)
- **Webathon 3.0 Finalist** - Achieved Finalist position for developing an innovative web-based solution, developed a digital platform to streamline blood donation and request processes under time-bound competition.
5-6th April, 2025
[Certificate](#)

Extracurricular Activities

- **Attended different workshops:** Agentic AI wokshop, a 2-day hands-on workshop on Agentic AI organized by ACM VNRVJIET.[Certificate](#), Langvision Workshop - Gained hands-on experience in Generative AI and Large Language Models. [Certificate](#) AndroidX Workshop - Acquired practical knowledge of Flutter development. [Certificate](#)

Position of Responsibility

- **ACM Student Chapter - Membership Chair:** Promoted to Membership Chair after contributing for one year in the Events & PR team. Organized workshops, hackathons, and technical events with 200+ participants, while strengthening engagement within the ACM community. Managed membership initiatives, coordinated with teams for event planning and promotions, and built strong connections with students, speakers, and organizers to ensure smooth execution of activities.
